PRESS RELEASE

AUTISM SUPPORT GROUP TAKES OVER WOKINGHAM'S BIG APPLE

Wokingham based autism support group, ASD Family Help, booked Wokingham's Big Apple for its exclusive use last Saturday and more than 190 members enjoyed a night of Ten Pin bowling and Laser Quest.

The charity which is now in its seventh year aims to help improve local services for children and adults with autism, provide support to their parents and carers and give advice and information to anyone affected by an autism spectrum disorder (ASD).

In addition to its main activities, the charity has been organising regular social events and last weeks was the biggest yet with nearly 50 families taking part from 6pm to closing time at 11pm.

Autism affects 1.3% of the local population - or more than 1 in 100 Wokingham families - and founder Cathy Roberts said "It was a pleasure to see everyone having such a great time. So many families affected by autism have little or no social life and feel very isolated, so an event like tonight not only provides welcome relief but also an opportunity for some much needed fun!"

A big thank you to everyone that came and to the people that Volunteered on the night!

NEXT EVENT SOON.....Date to be advised
