Come and find out more about this course

Practical courses for life and work in a nurturing environment.

This course is specially designed for 16-24 year olds with learning difficulties and/or disabilities. In a friendly environment, we will help you to develop skills and learn independence while still having support.

Our tutors are qualified to teach those with learning difficulties and will use the best methods to encourage you to develop and promote your skills and to achieve a nationally recognised qualification.

The course will be based at our Wick Hill Centre.

● Entry requirements

No formal qualifications are needed, just a simple college interview. Your application must be supported by your school and/or Connexions.

● After the course is finished

This course may provide routes on to other college courses.
